STATE COURT - HON. R. B. CARPENTER, JUDGE, PRESIDING .- The Issue Docket was called in this court yesterday. No business of general interest was transacted. DROWNED .- A colored man named David Vance, on Mouday last, paid a visit to his relations living on Wappoo Creek, a short distance from the city. In the afternoon, while bathing in the creek, he was drowned. His body was recovered, and on yesterday Coroner Whiting held an inquest—the verdict of the jury being that the deceased came to his death by drown-

LOST AND FOUND. -A pocketbook containing greenbacks, specie and valuable papers was lost on Tuesday and advertised in THE NEWS of yesterday. It was found by A. Aspinall, a colored man, who at once looked in the columns of Twe News, saw the advertisement and immediately took the pocketbook to the owner. Aspinall was rewarded for his trouble, but his very prompt and proper conduct deserves

A TRIBUNE MAN'S IMPRESSIONS OF CHARLES-TON .- A travelling correspondent of the New York Tribune latery wrote a long letter from Charleston, from which we take the following: It is the dull season of the year, and the large trading houses are doing little. Most of the damage done by the bombardment is repaired, but the ruins of the great fire of 1861 remain. It may be a pool larity of a Southern remain. It may be a pacu tarity of a Southern city, but it is singular to see pursley and wild grass growing up through flagging, and rising to the door sills of wholesale houses in atreets strictly devoted to commerce. In addition to stagnant trade, the municipal officers, being flagging, are holdern, are in a quarrel, and city affire are holdern are pleasured. dition to stagmant trade, the municipal offi-cers, being ft publican, are in a quarrel, and city affairs are bono means pleasant. Still, it is a beautiful city, the houses are lefty, sur-rounded with trees, and I was told that not one tenement house is in the city. Orange, pomegranate and fig trees are seen every-where, and roses are in profusion.

THE BOARD OF TRADE .- A meeting of the Board of Trade was held last evening, the

President, Henry Cobia, Esq., in the chair. The following gentlemen were unanimously elected members of the Board: Captain T. J. Lookwood, Henry Daly, L. T. Potter, and B. K.

The President read a letter from a committee of citizens of Columbus, Ga., concerning a proposed railroad from Columbus to West Point, and, on motion, the following was

adopted: Resolved, That the letter in relation to the railroad from Columbus, Ga., to West Point, be referred to a special committee of five, with power to attend the meeting reterred to and that the Secretary be requested to assertain at once when the said meeting will be held.

The President was requested to appoint the committee at his leisure. The Board then adjourned.

THE POLICE DEPARTMENT.—The offices in this department are only four in number, and there are about fifty aspirants for each. Those who have interested themselves in the matter are about equally divided in opinion as to whether Major Willoughby or Captain Hen-dricks will be Chief. Lafayette I. Wolf and W. N. Taft are spoken of for First Lieutenants, and Officer Philippy, of the Detective force, for Second Lieutenant. .. It is asserted that the vote for these offices will not be by factions, but a general sort of an affair.

Caumbs.—There was only one case before the Mayor, yesterday-a drunken fellow-who was fined and discharged.

J. C. Holloway, son of the Alderman, who was elected a portwarden Tuesday night, is just out of the Lunatic Asylum. The members of the Mackey faction were yesterday loud in their regrets that D. T. Cor-

bid did not receive more of the city offices, but consoled themselves with the belief that there is still hope for him. The Pillsbury faction, it is understood, has

gone back on Major Willoughby, and Captain Hendricks will be re-elected.

Large groups of colored and white men collected about the City Hall yesterday and ques: tioned one another about the correctness of the newspaper reports of the election, trusting that they were incorrect, and consequently there was a possibility of their having been elected. Unfortunately for them, the reports were correct, and the aspirants were left disconsolate.

Magistrate DeLarge (colored) is, we learn, engaged in an attempt to have Magistrates Bunch, Kanapaux, Moline and Plummeau removed from office.

Yesterday morning Officer Philippy found under the stone-crossing at the corner of King and George street a considerable number of bits of silver spoons and forks. The bits were portions containing the initials of the owner, and were evidently cut off and placed there by the thief for fear of detection. The bits are at the detective's office, and can be obtained by proving property.

The disappointed office-seeker, who on Tuesday night stole from the Council Chamber an umbrells belonging to a member of the press, is requested to return it to this office. It is of cotton material, and was only purchased for use at Council meetings and other stormy oc-

A New THEATRE.—On Tuesday night last the Freundschaftsbund held their regular monthly meeting, and, we learn, took final action in regard to the building of a new hall. As we learn, the reports of the committees

in reference to the matter were heard, and it was then decided to purchase the lot at the southwest corner of Meeting and George streets, on which the society propose to build at an early day a large and handsome three story brick building, fifty by one hundred feet, fronting on Meeting street. The first floor will be fitted up for the social uses of the members of the club. The second story will be so arranged that theatrical and operatic performances can be conducted in it. This hall will be larger than the Hibernian Hall, and will have a commodious stage, with all fixtures necessary for performers and for placing the pieces on the stage to the best advantage. The lot will cost \$6500, and the building, when completed, probably \$25,000.

It is with the greatest pleasure we announce the above, and we sincerely trust that the building will be commenced at an early day. Something of the kind has been long needed, and it will be a source of gratification to all the want being supplied very soon.

TERRIBLE CONFLAGRITION IN HORRY COUNTY. We learn from the Horry News that one of the most extensive fires ever known in that section has been raging for the last two weeks in Allsaints Parish. It broke out near the upper end of Ocean Bay, not far from the seashore, an i has reached the Wilson estate lands, on the Waccamaw, six miles above Conwayboro', having burned over a distance of nearly twenty miles. The average breadth of the fire is unknown. The country through which it passed is literally burned up. Bay after bay and swamp after swamp have been made bare of all undergrowth, and the trees and timber completely destroyed. The savannahs, with the turpentine boxes, are made sterile wastes. The hot, dry weather rendered it impossible to check the onward march of the flames. It is yet burning, but will be likely to stop its careeer on the banks of the Waccamaw. We have not learned the particulars concerning the losses occasioned by this fire, but are satisfied that they are great. Major W. A. Clarady had fifteen thousand turpentine boxes burned, and John A. Wilson five thousand. The earth is left bare behind this fire, the cattle range destroyed for the season, the deer unsheltered, and the bears and rattlesnakes made to seek a new hiding place or destroyed by the fire. It is estimated that over one hundred thousand acres of land was burned over. At night the heavens were brilliant from the lurid fiames, and the clouds of smoke that arose by day were but portentous of the flery storm beneath. We shall be glad to have full accounts of this terrible confingra-

THE CORONER MUDDLE. - The Aldermen who so ignorantly put their "foot into it" on Tuesday night, by electing a colored man to the office of Coroner, when they had no more to do with it than the atcressed colored man had to elect himself, were thrown into a state of confusion yesterday morning on being informed of their error by the newspapers. As the case is attracting considerable attention, we give the act providing for the election of Coroner, &c.. and also the one repealing it.

The first was adopted by the Legislature on the 17th of December, 1817. It is as follows:

the 17th of December, 1817. It is as follows:
An act to appoint a Board of Commissioners for the City of Charleston, with power and authority to declare in what cases the streets, lanes and alleys of the city shall be widened, and to provide for carrying in o execution the objects of said board, and for other purposes therein mentioned.

SECTION 10. That the City Council of Charleston shall be, and they are hereby, authorized and empowered to elect annually a Coroner, for the Parishes of St. Philip and St. Miebael, who shall exercise the same power and authority as are vested in coroners by the laws of this State, any law to the contrary thereof notwithstanding.

During the last session of the Legislature, on the 26th of March, 1869, the following act was approved:

was approved:

SECTION 1. Be it enacted by the Senate and House of Representatives of the State of South Carolina, now met and sitting in General Assembly, and by the authority of the same, That Section 16 of an act entitled "An act to appoin a Board of Commissioners for the City of Charleston, with power and authority to declare in what cases the streats, laues and alieys shall be widened, and to provide for carrying into execution the objects of said board, and for other purposes therein mentioned," be and the same is hereby repealed.

COLUMBIA ITEMS .- W. A. Harris, Esq., who, for fifteen years has been a resident of Columbia, died on Tuesday of apoplexy.

Mr. Wright has renewed his lease of the Nickerson House for another term, and it will be continued under its present able management. The stockholders of the Columbia and Augusta and Charlotte and South Carolina Railroad Companies were to have met in Columbia vesterday afternoon, to merge the two companies in one.

I. O. O. F.-JEFFERSON LODGE, No. 4 .- At a regular semi-annual meeting of this Lodge, held on Tuesday evening, the 6th instant, the following officers were installed for the current term, viz: Brothers J. Liebman, Noble Grand; . L. Lunsford, Vice Grand; W. Mathew, Recording Secretary; James Silcox, Permanent Secretary and Treasurer; A. Schwake, R. S. to N. G.; J. H. M. Chumaceiro, L. S. to N. G.; James Hill, R. S. to V. G.; P. Jancovich, L. S. to V. G.; W. E. Milligan, W.; R. Arneld, C.; E. C. Tharin, I. D. G.; J. T. Milligan, O. D. G.; George McBride, R. S. S.; J. Altsbuler, L.

COLLECTOR OF CUSTOMS. - A private telegram from Washington was received here yesterday afternoon announcing that Dr. A. G. Mackey has been reinstated as Collector of Customs. The statement is generally believed by the friends of Dr. Mackey, who assert that he was removed because of misrepresentations made to the President by his enemies, and that his reappointment is due to the letter of Governor Scott to the President, which placed affairs in their true light-the Governor stating among other things that Dr. Mackey was the leader of the Republican party in Charleston, and its prosperity was in a great measure due to him.

UNITED STATES COURT, JULY 7-Hon. GEORGE S. BEYAN, JUDGE, PRESIDING.—The following business was disposed of to-day:

In the District Court .- In the case of the United States vs. twenty barrels of distilled spirits, owned by W. H. Stark-information for violation of internal revenue laws—a motion for continuance was granted.

In the case of the United States vs. Charles B. Addison, et al, indicted for violating internal revenue laws, a bench warrant for the arrest of Addison was issued.

In the case of the United States vs. twenty barrels of distilled spirits, the property of W. H. Stark, it was ordered that the plaintiff have time to amend the information, which should be filed within five days after the issuance of the order.

In the case of the United States vs. David Reily, it was ordered that John C. Dutch, et al, should receive \$250 more.

In the Circuit Court .- In the case of William Howland, et al, vs. Thaddeus Kelly-bill in equity-it was ordered that the complainants be allowed to make William Jervey a party defendant to the suit; also, that the complainant have leave to amend his bill on points of no general interest.

THE PILLSBURY CAUCUS TICKET .- The result of the election of city officers on Tuesday night excited considerable surprise, especially in view of the fact that some of the Aldermen who were supposed to be ardent adherents of the Mackey faction voted the Pillsbury caucus ticket straight through.

This may be explained. The Mayor earnestly desired the election of his stepson, Jos. H. Jenks, as City Inspector. To obtain this a number of promises in the shape of offices had to be thrown into the hungry maws of the Aldermen who were opposed to his faction or "uncertain." With this end in view, the Mayor and his two or three advisers set to work and promised the office of Coroner to J. P. Howard, son of Alderman Howard, colored; Clerkship of City Court to T. D. Small, colored, son of Alderman Small; Portwardenship to J. C. Holloway, colored, son of Alderman Hollo way; City Attorneyship to D. T. Corbin, friend of Alderman Cunningham; Flour Inspectorship to M. Caulfield, friend of Alderman Greene Assessorship to P. J. Coogan, friend of Alder man Collins, if the several Aldermen mentioned would vote for Jos. H. Jenks. They bolted the bait and the caucus ticket whole. The bottom rail is on top. The Mackeyit will have to content themselves by rallying around D. T. Corbin.
